Wild Style Gardens

Working with nature to create beautiful gardens

Services

- Weeding and tidy ups (regular visits or one off)
- Garden maintenance using garden health plans
- Pruning
- Planting
- Creating wildlife areas
- Creating/maintaining vegetable patches
- Advice on problem plants and what to plant where
- Hanging baskets and containers

I am RHS qualified, and use RHS principles and practices in the gardens I work in.

Call or message Lucy for a chat about your garden: 07968566474
